CHARLES E. WILSON

Mr. Wilson has devoted his life to the Kent Public Schools and to the people of this community. He began as a teacher in 1950. There are students attending Sequoia whose parents he taught in junior high school.

In 1958 he became principal of Kent Junior High School and was instrumental in the design of Sequoia Junior High School. When it opened in 1966, he became Sequoia's first principal. No one has contributed more to the character, quality and standards of Sequoia than Mr. Wilson. No one has been a more loyal, consistent supporter of its activities, athletics, music, etcetera, than he. His friendly smile, patience, wisdom and encouragement have been an inspiration to all.

To you, Charles E. Wilson, our Cherokee Charley, we dedicate this Annual.

P.S. Now that you are retiring, we will miss you

I love my new shades Hax

FALL SECTION

More than 4,000 students have attended Sequoia since it opened in 1966. I wish I could remember the names and faces of all, but I can't. I can, however, and will remember an interesting and exciting dozen years, thanks to great kids and a dedicated staff.

Like you, I have Klahowyas to chronicle the memories.

Charles E. Wilson

Charles E. Wilson, Principal

MR. SHEARER

"Memories . . . light the corners of my mind . . . misty watercolored memories . . . of the way we were . . ."

As I approach the sunset of life, the words of the song are particularly significant . . . memories of the accomplishments and the good times of the past . . . memories of the students, their hopes and dreams. Of the over 50,000 students with whom I have been in contact during my teaching career, most of them blend into the distant past, occasionally brightened by a super star leading the way. But the memories I cherish most are the memories of the good times, the kind words and consideration. Memories of the way we were.

Remember, we are making today, tomorrow's memories.
